**About the NHCA Arts & Crafts Committee**

Since 1994, NHCA has been serving and supporting the Northern Hills residents. As new residents move into the area new ideas, programs, events, and services evolve. For the past years, NHCA has been running kids and adults' soccer, community gardens, various events and programs. All of these won't be possible without our active residents and volunteers. As NHCA is growing and aiming to serve more residents, it is expanding its services; therefore, we need more passionate residents, just like you!
