Photo Booth Station Specifics

Overview

Attendees will have the option of taking pictures at the photo booth where a backdrop will be provided as well as a table with various props.

Hours

5:00pm-10:00pm

Set up

Here is a list of things that need to be set up at the photo booth:

- Backdrop
 - The backdrop will be tied with rope to the loops on the trailers.
- Table
 - The table will need to be unfolded and set up beside the backdrop. The red tablecloth needs to be laid out and black "PHOTO BOOTH" sign put up.
- Props
 - We will have a box full of props that would need to be distributed on the table.
- Sign
 - The sign will be already made, it will simply need to be moved to the photo booth location.

Operations

The roles of the volunteer tending to the station will be as follows:

- To ensure that props, the table, and the backdrop are present and in good condition.
- To remind attendees to tag the NHCA on social media and use the hashtag that are both present on the sign at the photo booth.
- To take pictures for people if they do not have someone to take it for them.
- Turn on the lights once it is dark, the LED lights simply need to be pressed to turn on.

Shut down

While the movie is ongoing, we will still be encouraging attendees to use the photo booth, however, we will be expecting less traffic at the booth.

After the event is over, all things that were set up would need to be taken down, properly stored and brought back to their original location.
