Station Specifics

Overview

No car parking except movie personnel is allowed at the event venue. Instead, all attendees are directed to park on the West Parking Lot at Vivo and walk to the event venue. When the parking overflows attendees can park across the venue on the shopping plaza parking lot as it is not restricted.

We encourage attendees to bike/cycle as bike parking racks are provided at the venue and are being monitored and secured.

Hours

2:00-5:00pm – Set-Up

5:00-8:00pm – Event Duration

8:00-11:00 – Shut-Down

Set up

Event providers and vendors are allowed to bring their vehicles to unload their items and then have to move their vehicles away. Unless those vehicles have to stay for a permitted and discussed purpose by event organizers.

Operations

Starting at 2:00pm only set-up required vehicles and Vivo clients are allowed to park at East Side Parking lot. Traffic barricade will be placed and controlled by Traffic volunteers to allow and guide incoming traffic to the right direction.

Shut down

Market vendors, business partners, and sponsors can start packing-up and shutting down at 8:00pm so they are allowed to bring their vehicles and load them.

The final shut down will start after 10:30pm when the movie is over.
