

INVITATION TO PUBLIC OPEN HOUSE FOR A CELLULAR TOWER EXTENSION

Dear Neighbor,

We would like to inform you that WIND Mobile is planning to extend the existing cellular telecommunications tower in your area located at 200-177 Country Hills Blvd NW, Calgary, Alberta, and has scheduled an open house for the neighbors to have an opportunity to discuss this.

OPEN HOUSE – PURPOSE:

If you would like to learn more, we invite you to attend our open house regarding this cellular tower extension. You will learn the facts about this proposed cellular tower extension that will continue to accommodate WIND Mobile.

PROPOSAL:

WIND Mobile proposes to increase the height of the existing tower to 30m to expand network coverage to the surrounding communities, commercial developments and traffic corridors. The compound at the base of the facility will remain as-is with the equipment cabinet surrounded by the chain link fence for both safety and security.

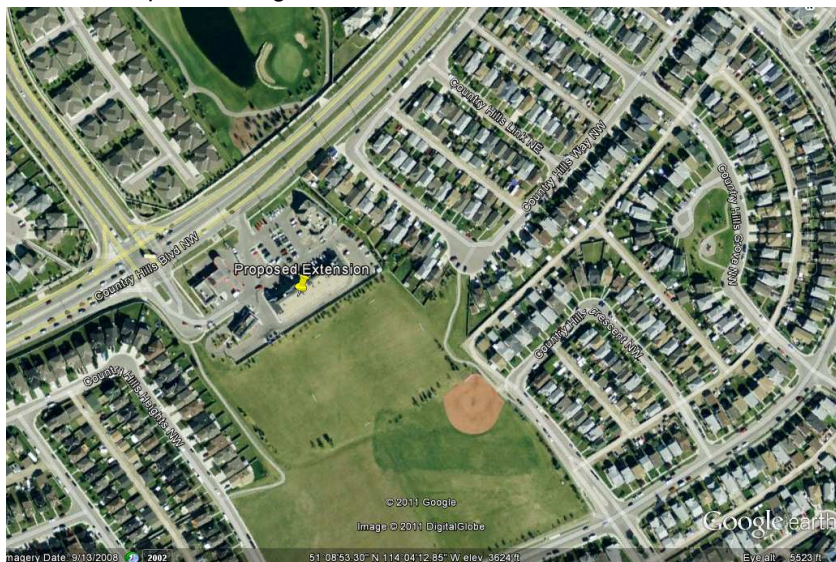

OPEN HOUSE – TIME and PLACE:

Date: January 12, 2012
Time: 5:00pm to 7:00pm
Place: Harvest Hills Alliance Church (Front Foyer)
10099 Harvest Hills Blvd NW
Calgary, AB
Contact: James Burdan, Alcatel-Lucent Canada
james.burdan@alcatel-lucent.com
403-966-5052

City of Calgary Contact Information:

If you have any questions regarding the policy and installation of telecommunication facilities in the City of Calgary, please contact Brian Churchman at Brian.Churchman@Calgary.ca or at 403-268-1418.
