

Location: Panorama Hills & Harvest Hills

Reporting to: Coordinator of the ice rinks. This role is for winter lovers and requires to work outside

Number of positions: 2 available spots

Time commitment: 2-3 hours/week in average. November and early December is the busiest time as construction of ice rinks has a step-by-step procedure to follow

Training/Resources: The initial volunteering shift will be focused on learning and practicing of 3 major responsibilities

What's in it for you?

- Learn how to make an ice rink!
- Stay active and reduce stress
- Become part of friendly and dedicated team
- Learn new skills

What's involved?

- Getting a little bit cold
- Having fun shoveling, flooding, and building ice rinks
- Applying basic construction/maintenance skills
- Taking part in the NHCA events

This role will suit people who...

- Enjoy working outside & not being bothered by winter
- Want to develop more skills and knowledge of ice rinks
- Are committed and reliable
- Driven to help public

About the NHCA Community Pleasure Rinks

Both Panorama and Harvest Hills Community Ice Rinks are run by volunteers who are excited to help and make ice skating available for the Northern Hills residents. It is hard and also rewarding job, especially once you see residents are using the rinks for their own pleasure. Besides, NHCA is organizing events at the rinks for the Northern Hills residents and its members. These ice rinks promote social activities, and serve as entertainment place and simply outdoor community hub for residents even during the winter.
