Youth Got Talent 2013

by Amanda Davis

On September 29th, the Northern Hills Youth Council hosted their second annual Youth Got Talent Showcase. This event was held in conjunction with Alberta Culture Days and Cardel Place. The event was full of amazing singers, musicians, a dancer, and a very talented Cardel staff member who did an impromptu song while playing the guitar!

This year, instead of setting the young entertainers in competition with each other, and then being judged for prizes, the format was set up to showcase each participant and their talent with two performances for the appreciative crowd. Cardel Place and the Northern Hills Community Association provided prizes for all of the participants!

Annie Pattison, who performed in the 2012 Youth Got Talent, returned this year as a grade 10 student who once again silenced the audience with her beautiful, emotion filled voice. This young lady is so captivating when she performs, it is hard not to stop and listen, which is what many people walking down the hallways of Cardel did when they heard her sing.

Alicia Villavicencio-Requis, who is a grade 12 student at Notre Dame High School, engaged the audience with her up beat Spanish singing, and her very fiery dance. Singing in Spanish was a perfect complement to what Alberta Culture Days stands for, she even did a costume change between her two acts and wore a very pretty dance costume for her Latin dance.

Gabriela Urrego, who also goes to Notre Dame High School, sang a beautiful song while playing the guitar. For her second performance she stayed on the stage and played a graceful instrumental on her guitar. Gabriela is the newest member of the Youth Council as well; she joined up after the Youth Got Talent show! The Youth Council is very lucky to have this very talented young lady in their group!

Last but not least Zee Peters, who is in grade 10 at William Aberhart, stole the audience with his stunning, energetic, charming vocal performance. Zee had this natural ability to connect with the audience, and he looked like he was having the best time ever while

performing, he even gave some of the young kids high-fives while he was singing! Zee also helped out one of the Youth Council's own members in a performance of his own! This young man is incredibly talented!!

The Youth Council would like to thank Stephanie Mitschke for inviting them to partici-

pate in Alberta Culture Days. The Cardel staff (Mike and Mike) did an amazing job doing the sound for the event, and supporting the youth while they ran the show. The Youth Council is grateful for the continued support from the community and are looking forward to the 2014 Youth Got Talent Show!

2013 Community Volunteer Awards

Is there a volunteer in your community who deserves to be recognized?

We at The Federation of Calgary Communities are excited to announce that we are now accepting nominations for the 2013 Community Volunteer Awards! There are 20,000 volunteers in the community association movement here in Calgary; help us recognize one from your community!

This is an extra special opportunity to recognize those community volunteers who really stepped up following the June flooding here in Calgary. Whether they spent days cleaning out neighbour's houses, travelling to other communities to offer assistance, collecting donations, or rallying support, this is your opportunity to formally thank them for all of their

hard work.

Additionally, you know that volunteer who year-round always steps up to help out without being asked, stays late after an event, or gets up early to flood the ice rink. Or the group of volunteers who come together to complete a big project or event for the community that creates a strong sense of belonging. And for many communities, there is that one volunteer who has been a part of improving neighbourhood life through a lifetime of dedication and service to their community.

No matter the kind of volunteer, there is an award to recognize their time and achievements. Nominate your most deserving community volunteer today and help celebrate Calgary's 20,000 community association volunteers!

There are four different awards to choose from when nominating someone:

- The Step Up Award
- The Spark Award
- The Be Part of It Group Award
- The Community Builder Award

Please visit www.calgarycommunities.com for detailed descriptions of the four awards and the nomination form. The NEW deadline to nominate someone for a 2013 Community Volunteer Award is November 15th, 2013.

The winners will be presented with their award at our volunteer recognition celebration. If you have any questions, please contact Rebecca Dakin with The Federation at (403)244- 4111 ext. 204 or communityrelations@calgarycommunities.com

VOLUNTEER

NHCA VOLUNTEER OPPORTUNITIES

by Kate Shaw, President

Vacancies on the Board:

For those interested in Board Positions
Contact: president@northernhills.ab.ca.

Community Rinks – Have an outgoing personality and desire to meet your neighbours? With winter just around the corner, the current outdoor rinks are essential to cater to the needs of recreational skaters. Rinks Director would oversee both rinks (Harvest Hills and Panorama Hills) in a volunteer capacity with their committee and ensure it is flooded, shoveled, and properly maintained throughout the winter months. The Director would oversee the budget, attend Board Meetings, and head-up any future development plans.

Community Gardens – This is a wonderful opportunity to share your enthusiasm for gardening! While gardens will soon be put to bed, the role of the Community Gardens co-ordinator is just getting started. Essential to the livelihood of Northern Hills, the Director would oversee two gardens (Coventry Hills and Harvest Hills) and work with their committee to allocate plots to interested residents who wish to rent for the season, as well as general upkeep of the sites. The Director would oversee the budget, attend Board Meetings, and head-up any future development plans. Working with the existing garden coordinators, you will represent the interests of the Community Gardens on the NHCA board. Come, grow with us!

There are also many volunteer committees that could always use the help:

Social Networker - Tweeting, posting or blogging about what's going on in the Northern Hills communities! Contact president@northernhills.ab.ca.

Graffiti Abatement - Individuals eager to learn how to clean it up and prevent future outbreaks! Contact community@northernhills.ab.ca.

Litter Clean Up - Have some ideas on how to clean up and prevent litter in our neighbourhoods? Contact community@northernhills.ab.ca.

Youth - Calling on future community leaders to bring ideas to engage youth in community building activities. A great way to meet and fulfill those volunteer hour requirements! Contact youth@northernhills.ab.ca.

Membership Services - Opportunities to meet your neighbours when helping out at events around the community. Contact membership@northernhills.ab.ca

At Home In The Hills - An initiative to assist new Canadians and residents with the transition into our area. Are you a resident who is familiar with the area and perhaps

speaks more than one language. Contact ahih@northernhills.ab.ca

Beautification – We are expanding our efforts to beautify neglected areas in our communities. Have a desire to see improvements in our community aesthetics? Contact community@northernhills.ab.ca.

Events – Have great organizational skills and work well with volunteers? The NHCA hosts several events throughout the year, including a community garage sale, clean up, business fair, volunteer appreciation and Open House/AGM. We have a new events director on our board and our events committee is looking for individuals to help organize and carry out these events. Contact events@northernhills.ab.ca.

Sponsorship - Our association would appreciate your help in contacting local business owners to discuss advertising opportunities and their community support. Interested? Contact marketing@northernhills.ab.ca

Grants – We are a non-profit organization and need committee members who enjoy filling out the forms! Previous experience with grant applications would be an asset. If securing available funds is your specialty then we need you! Contact grants@northernhills.ab.ca

Casino - Consider volunteering for one of the many casino positions for November 17 and 18. Work with several volunteers in a fun way. This is a major source of funding for NHCA and we could use your help. Contact volunteer@northernhills.ab.ca

Community Garden – The Harvest Hills and Coventry Hills gardens are a great success. If you would like to help out at these gardens or are a resident of Panorama Hills or Country Hills and would like to have a garden in your neighborhood, contact president@northernhills.ab.ca

Rinks – Our rink in Harvest Hills is up and running and needs flooding in winter and mowing in the summer. We will be working with the City to have a similar rink in Panorama Hills this coming winter. Eager individuals can also help with planning and execution of an outdoor rink in Coventry Hills. Contact president@northernhills.ab.ca

Senior's Group – Spry in the Hills is a group of older adults who get together on Tuesdays from 2 to 4pm, Fridays from 1 to 2 pm and have a weekly walking group, occasional lunches, workshops and field trips. They are looking for you and your ideas. Contact seniors@northernhills.ab.ca

Traffic – If you and your neighbors have traffic related issues; parking, speeding, upgrading controls at intersections and you're willing to work together to find solutions, contact planning@northernhills.ab.ca

For more information please contact the NHCA office at 403-226-6462 or info@northernhills.ab.ca.

From the President

by Kate Shaw,
President NHCA

I was recently touched by an article written in the newspaper about a missing mouse finally finding a home. The stuffed animal was lost at the Calgary Soccer Centre one year ago. The writer wanted to reunite the animal with its owner. He imagined that a small child would be missing her "favorite thing" due to its well-worn fur. After many attempts to reunite the child with the mouse on Twitter, Breakfast TV and Facebook, no child was found. The writer finally gave up his quest to find the owner and donated it to a neighbor's daughter who was very happy to receive this gift. I was touched by the extraordinary measures the writer went through to reunite the stuffed animal with its owner. Imagine the possibilities if we all took such time to care for each other, how much better our world would be? I see this passion and dedication every day while working with our caring NHCA volunteers. That is what makes us so great! We are a community of caring that values a sense of belonging.

On October 26th, the Board held its 2nd Strategic Planning Workshop. The day started out with the Board, Committee and staff reviewing our mission, vision and values. Then we participated in "blue sky thinking" where we reaffirmed some existing successful strategies and created new ideas for action. We are all looking forward to helping implement our action plans over the upcoming years. Check out the next edition of the NEN for a summary of the strategic plans and actions coming out of our strategic planning session.

New to our Board is Shawn Proegers – Secretary on the Executive, Luzimar Serviss – Events Director, and Herve Lamah – Membership Director. I look forward to working with each of them and appreciate them coming forward to volunteer to make NHCA a better place. The Moms and Tots Program has a new coordinator Holly Dame. Thank you for stepping in to help out with this valuable program so that moms and tots can continue to interact in a friendly and relaxed atmosphere. We have some vacancies on the Board. If you are interested in joining us as the Garden Director or the Rinks Director check out the volunteer article on this page or contact me at president@northernhills.ab.ca.

"Go Girl" is a one day event taking place November 9 at Cardel Place from 12:45 to 5:00 pm. This event has been very well received in the past. It is a one day event where girls have the opportunity to participate in a variety of sports, recreation, wellness and arts programs. Register online at www.cardelplace.com. More information is available on the NHCA website or check out the ad in this edition of the NEN.

We are offering the Youth Writing Program once again. This 5 week program is for kids between the ages of 9-11 years old. It is led by the children's author Simon Rose, who has led workshops for the International Children's Festival, the City of Calgary, and various community summer camps. He will lead your child through the creative world of writing and storytelling. Don't miss out on this one! Check out our website for more information.

Our November 23rd Business Fair is fast approaching at Cardel Place from 9-1. Consider purchasing a table to represent your business and sell your wares at this well attended annual event. Tables are selling out quickly. Visit our NHCA membership tent for a chance to win some nice draw prizes, information about our programs and to purchase memberships.

Winter in the Hills brings with it plenty of activities. The Harvest Hills rink is operational again this winter. The city is repairing the water line for the Panorama Hills rink and we hope to have it up and running soon. Get out and enjoy some skating with family and friends when the weather is cold enough. If you wish to help out with flooding or clearing the rinks, contact community@northernhills.ab.ca. The Northern Hills Lights Contest runs once again from November 1-December 31. Nominate your neighbors for a prize.

Our second Casino is being held November 17 and 18th. We are looking for volunteers to fill the many positions. If you are available to help with this major fundraiser, contact grants@northernhills.ab.ca or volunteer@northernhills.ab.ca.

Please remember to renew your annual NHCA membership that expires on December 31st, 2013. Memberships help fund the many programs and services that the Association provides to the residents of the Northern Hills. Please refer to the list, found in this newsletter and on our website, of activities, programs, events and projects we provide or support. By purchasing or renewing your membership today you are helping to build a strong, safe and engaged community. If you are planning to visit the NHCA to purchase or renew a membership, rent a table for the Business Fair, or to inquire about our many programs, events and services, please check our website for up to date hours and information at www.northernhills.ab.ca

If you are interested in upcoming events or volunteer opportunities, please check out the article on this page or our website at www.northernhills.ab.ca or contact volunteer@northernhills.ab.ca.

Come Hell or High Water, Rain or Shine, Zoo Rebuild Block Party.

by Joey Podlubny

A rainy September 7th marked the 4th Annual Covewood Place Block Party. Although the dampness kept many of the activities under tarps and inside garages, spirits were high as people filtered in to taste homemade goodies, visit with new and familiar friends and enjoy the festivities that were lined up by this year's committee.

The focus was on getting to know your neighbour with fun games for the kids, including a scavenger hunt, bike decorating, and a mural created over one of the garage doors. The kids didn't pay any attention to the weather as they made their way to Jay and Kelly's house for some face painting. Unicorns, snakes, and army men took over the cul-de-sac. Many thanks goes to Steve and Kelly for their creative masterpieces. To all of the local businesses who yet again generously donated items to be used to raise money, this year's funds went towards the rebuild of the Calgary Zoo. Your commitment to the community was appreciated by all. Over \$350.00 was raised through donations, silent auction, and draw entries.

The highlight for the kids as the sun went down, was a garage door sized big screen TV that started playing a movie as the cars pulled up for an impromptu drive in movie theatre experience, complete with a synced radio station. The adults enjoyed an evening by the fire coupled with host Gerry who kindly turned his garage into the common room. Thanks to all who came out to show their community spirit and a big thank you to all those on the committee who gave their time and effort into making this another successful Covewood Place Block Party. Special thanks goes to the NHCA and the newsletter for providing the space to showcase images and our story

and let our community sponsors know how much we appreciate your support.

Harvest Hills Community Garden season news

"I like gardening – it's a place where I find myself when I need to lose myself." Alice Sebold

This year's garden season proved to be very successful! Kicked off the season, a gardener in every plot, with our annual spring clean up in May. As we have experienced over the last few years, June proved to be a very wet month with little to nothing done in the garden but watching and waiting. Once the heat hit in July though, our plants soaked up the sun and quickly grew. It was an excellent year for tomatoes, and it definitely noticed the addition of kale to many garden plots this year. We once again had a successful harvest of food (110 pounds of potatoes, beets, onions, carrots and turnips) donated to the Calgary Interfaith Food Bank. We have partnered with the Calgary Horticultural Society's garlic bank and are growing a heritage variety soon to be shared with gardeners across the city. The gardens have almost been put to rest although a few potatoes, onions and Brussels' sprouts still remain to be harvested later in October. The garden will soon be under the cover of snow but it won't be long before we start planning next year's crop. Watch this newsletter for information coming soon on how to register as a gardener or volunteer in 2014.

Northern Hills Communities Crime Statistics – September 2013

The crime statistics for September 2013 in the Northern Hills area are in the attached tables. Additional information can be obtained from the Calgary Police Service (CPS) crime map at <http://crimemap.calgarypolice.ca/>.

Overall, the number of crimes reported in September was 59, which is down from the summer months and a more usual for the Northern Hills Communities in a month. A significant portion (73%) of the crimes are classified as thefts, thefts from vehicles, and vandalism. The CPS tell us these crimes are often related and frequently involve vehicles that are parked and left unlocked and/or idling. Also, of note is a significant number of assaults (8%) and vehicle thefts (7%) occurred in September. These crimes are not necessarily related.

The purpose of providing regular reports on crime statistics and information is to increase awareness and hopefully help the CPS make our neighborhoods safer. We meet regularly with Community Liaison Officers (CLO's) for our area to review statistics, to discuss issues and trends

regarding crime in our communities, and to identify ways that the NHCA can help the CPS in their work. Residents can contact the CLO's for our area at the District 7 office if they have any questions or concerns.

In addition to reporting crimes directly to the police, residents can also contact Crime Stoppers anonymously by telephone, web tip, or text message. If the information leads to an arrest, the caller may qualify for a reward. For further information about the Calgary Crime Stoppers readers may contact the vice-president of the Calgary Crime Stoppers Association at snagina@shaw.ca or 403-464-9442. Alternatively, you can check their website at www.tttips.com.

Remember, if you are the victim of a crime or if you are a witness to a crime, no matter how big or small, please report it to the police service as soon as it is safe to do so. The more information that the police have to work with the more likely they will be able to solve the crime and apprehend the person or persons responsible.

North Haven School News

North Haven School continues to be an active learning environment. In October, we were privileged to have Sound Kreation come in and help students create gum boot stomping dance routines. A culminating assembly where every class got to show off their talents occurred on November 1. Thank you to School Council for funding this event.

On September 27, we ran for Terry Fox. Our run was preceded by a whole school assembly and students brought in "Toonies for Terry". All students participated in this successful event.

On October 11, North Haven teachers participated in professional development discussing our School Development Plan for the 2013-2014 school year. We look forward to becoming more voiced in Iris. Please look to our webpage at www.cbe.ab.ca/b225 to read October principal message for a more detailed understanding of this exciting web-based application.

On October 22 at 9:30 we had our first Circle of Courage Assembly. This year as students receive their individual pillars of generosity, independence, belonging and mastery they also receive a wristband for their efforts. When they complete their circles, they are given a Circle of Courage Wristband. We continue to honour the good work in our building students are doing by handing out Good Work Tickets in the office.

We kicked off Halloween the morning of October 31st with our Early Development Centre and Kindergarten students parading through the school. Our afternoon Early Development Centre and grades 1 - 6 students had an opportunity to show off their costumes to each other. Additionally we hosted a pumpkin decorating contest where families had the opportunity to showcase a decorated pumpkin and students voted on which one they liked best.

North Haven School continues to welcome you anytime into our school! We look forward to seeing you in our school.
