About the HHHub

The Harvest Hills Community Hub Project is about so much more than replacing an outdated City of Calgary playground with new, all ages play equipment! It is about facilitating connections between neighbours to foster a more vibrant, enriched community! We want to see our [@HarvestHillsHub](#) become a place for people to meet and share experiences and interests as varied at our residents! We want to have a great opening ceremony, to celebrate the project and our achievements. Join the team and let's build a community hub together!
