### What's involved?

- Be the initial and front face of the project
- Outreach and connect with local businesses and individuals
- Spread the word to friends, family and people you know
- Sell as many tickets as possible

### This role will suit people who...

- Effective communicator
- Public service minded
- Familiar with Northern Hills area
- Enjoy meeting new people

## About the Harvest Hills Community Hub Project Team

It is a small group of local individuals committed to redevelop an uninspired and outdated City of Calgary playground into a vibrant and inclusive Outdoor Community Hub. The goal is to create an urban oasis complete with robust planted areas, a crushed limestone pathway, nature-themed picnic tables and benches, and an innovative play area appropriate for youth of all ages. Find more info on the project [www.Facebook.com/HarvestHillsHub](http://www.Facebook.com/HarvestHillsHub)
