Photography Guidelines:

- All coaches and players are required to be at the photography session 15 minutes prior to the time listed above.
- Photography sessions will start at the times listed above, teams will not wait for players or coaches who are late, especially for the 5:30 sessions as it has a domino effect.
- All players and coaches are to wear their full uniforms to photography session. **NO cleats are allowed, please respect this as it is a requirement from the church.**
- Parents are not permitted in the photography session.

Notes to parents:

- Expect the photography session to take approximately 45 minutes including the 15 minutes prior to the scheduled time.
- Know your team number, ie. U6 Mon/Wed - Team 3 not the color, due to the number of teams with the same color.
- Ensure you drop your child off with their coach before going outside to wait.
- You are encouraged to wait outside of the church while the children are in the photography session as space is limited inside.
- Ensure your child has gone to the washroom prior to the photography session.
- Parking is limited as we share the lot with church patrons and transit users, please be courteous.

Notes to coaches:

- Coaches should bring the team list as to ensure their entire team is present.
- Coaches are required to help their player return to the parent after the session, do not let the kids run off into the crowd.
